D. Accounting principles

General

Assets and liabilities are stated at face value unless a different valuation principle is mentioned.

Going concern

The accounting policies within the financial statements are based on the assumption that TNI will be able to continue as a going concern.

RJ C1

This presentation of the financial statements is in accordance with Dutch Accounting Standard Board's Guideline for Annual Reporting C1 for small not-for-profit organisations.

Currency

Transactions denominated in foreign currencies conducted during the reporting period are recognised in the annual accounts at the rate of exchange on the transaction date. Any resulting exchange differences are recognised through income and expenditure. Amounts denominated in foreign currency have been converted into Euro using the exchange rate valid on the transaction date. Exchange differences are accounted for in the statement of income and expenditure, unless a different rate is mentioned.

Changes in accounting principles

The valuation and the principles for determination of results remained unchanged compared to 2019.

Fixed assets

These are shown at historical cost. Depreciation and amortisation are calculated based upon these assets according to the straight line method on the expected useful life of the class of asset concerned. If there is deemed to be a permanent diminution in the value of an asset, the appropriate value adjustment is made. Depreciation percentages are 33,3% for computer equipment, 25% for inventory, 10% for solar panels and 2% for the building.

Receivables

Receivables are stated at face value with a net of provisions for doubtful debts where necessary.

OTHER INFORMATION

Allocation of results

The result has been allocated to the continuity reserve in accordance to the reserve policy.

E. Notes to the balance sheet

RIGHTS AND OBLIGATIONS NOT INCLUDED IN THE BALANCE SHEET

Contingent liabilities

In the balance sheet, liabilities include those to partners. These liabilities derive from contracts with partners under grants of the European Union. These liabilities are calculated for one year although the contracts in some cases have a longer duration. A committee makes the decision annually for the exact amount per partner.

This involves the following contract:

EU - "Combating the Structural Drivers of Anti-Muslim Hatred and Intolerance: Tools and Practices for Mobilising" (CoSDAMHI). TNI is the coordinator of this project, but there is no grant agreement (direct obligation) between TNI and the partners. The EU finances all participating project partners through TNI. The amount disclosed on the balance sheet ("Liabilities to partners" on page 10) contains the full amount available for partners (€ 441.703) minus the prepayment as a project expenditure.

Rights

TNI rents out nine office units to several tenants. The monthly rental fee gives TNI an income of € 14.266, excluding service fee, if all units are rented out. The rental fee is updated yearly with inflation as of May 1st. As of 31 December, eight out of the nine units were rented out. Of these eight rental contracts, five have a minimum of 2 months notice, two a minimum of 6 months, and one unit requires a minimum of 12 months notice before the contract can be terminated.

Post balance sheet events

There have been no significant events post balance date which would materially affect the annual accounts.

F. Notes to the statement of income and expenditure

Independent auditor's report

The independent auditor's report is included at the next page of the annual accounts.

INDEPENDENT AUDITOR'S REPORT

To: the Supervisory Board of Stichting Transnational Institute based in Amsterdam, the Netherlands.

A. Report on the audit of the financial statements 2020 included in the annual report

Our opinion

We have audited the financial statements 2020 of Stichting Transnational Institute based in Amsterdam, the Netherlands.

In our opinion the accompanying financial statements give a true and fair view of the financial position of Stichting Transnational Institute as at 31 December 2020 and of its result for 2020 in accordance with the Guidelines for annual reporting C1 Small not-for-profit organisations of the Dutch Accounting Standards Board.

The financial statements comprise:

1. the balance sheet as at 31 December 2020;
2. the statement of income and expenditure for 2020; and
3. the notes comprising a summary of the accounting policies and other explanatory information.

Basis for our opinion

We conducted our audit in accordance with Dutch law, including the Dutch Standards on Auditing. Our responsibilities under those standards are further described in the 'Our responsibilities for the audit of the financial statements' section of our report.

We are independent of Stichting Transnational Institute in accordance with the Verordening inzake de onafhankelijkheid van accountants bij assurance-opdrachten (ViO, Code of Ethics for Professional Accountants, a regulation with respect to independence) and other relevant independence regulations in the Netherlands. Furthermore we have complied with the Verordening gedrags- en beroepsregels accountants (VGBA, Dutch Code of Ethics).

We believe the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

B. Report on the other information included in the annual report

In addition to the financial statements and our auditor's report thereon, the annual report contains other information that consists of the supervisory board's report.

Based on the following procedures performed, we conclude that the other information is consistent with the financial statements and does not contain material misstatements.

We have read the other information. Based on our knowledge and understanding obtained through our audit of the financial statements or otherwise, we have considered whether the other information contains material misstatements.

By performing these procedures, we comply with the requirements of the Dutch Standard 720. The scope of the procedures performed is substantially less than the scope of those performed in our audit of the financial statements. Management is responsible for the preparation of the other information, including the supervisory board's report, in accordance with the Guidelines for annual reporting C1 Small Not-for-profit organisations of the Dutch Accounting Standards Board.

C. Description of responsibilities regarding the financial statements

Responsibilities of management for the financial statements

Management is responsible for the preparation and fair presentation of the financial statements, in accordance with the Guidelines for annual reporting C1 Small not-for-profit organisations of the Dutch Accounting Standards Board. Furthermore, management is responsible for such internal control as management determines is necessary to enable the preparation of the financial statements that are free from material misstatement, whether due to fraud or error.

As part of the preparation of the financial statements, management is responsible for assessing the foundation's ability to continue as a going concern. Based on the financial reporting framework mentioned, management should prepare the financial statements using the going concern basis of accounting unless management either intends to dissolve the foundation or to cease operations, or has no realistic alternative but to do so.

Management should disclose events and circumstances that may cast significant doubt on the foundation's ability to continue as a going concern in the financial statements.

Our responsibilities for the audit of the financial statements

Our objective is to plan and perform the audit assignment in a manner that allows us to obtain sufficient and appropriate audit evidence for our opinion.

Our audit has been performed with a high, but not absolute, level of assurance, which means we may not detect all material errors and fraud during our audit.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements. The materiality affects the nature, timing and extent of our audit procedures and the evaluation of the effect of identified misstatements on our opinion.

We have exercised professional judgement and have maintained professional scepticism throughout the audit, in accordance with Dutch Standards on Auditing, ethical requirements and independence requirements.

Our audit included e.g.:

- identifying and assessing the risks of material misstatement of the financial statements, whether due to fraud or error, designing and performing audit procedures responsive to those risks, and obtaining audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control;
- obtaining an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the foundation's internal control;
- evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management;
- concluding on the appropriateness of management's use of the going concern basis of accounting, and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the foundation's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause a foundation to cease to continue as a going concern;
- evaluating the overall presentation, structure and content of the financial statements, including the disclosures; and
- evaluating whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant findings in internal control that we identify during our audit.
